EnviroSafe
safer pest and turf management

Apr 27, 2026

Dear Parent or Guardian:

To maintain the aesthetic quality of the buildings and grounds of Fowlerville Community Schools, applying an herbicide to the grounds at your child's school has become necessary. Please understand that applications will not occur every day. The dates are given since factors such as wind, rain, and site usage will affect the exact date and time of the application. You will be able to tell that the application has been completed by the dated lawn signs that will be posted.

The product that is being used is SpeedZone to control broadleaf weeds. The application will be performed by State-certified Applicators.

School: High School, Junior High School
Date of application: April 30, May 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, weather depending
Area to be treated: Varsity Baseball, Varsity Softball, Auxiliary A, and Auxiliary B Fields
Description of treatment: SpeedZone

If you have any questions or concerns, please feel free to contact the District's Operations Office at 517.223.6120. If you would like more information on pesticides, you may call the National Pesticide Information Center at (800) 858-7378 or the Michigan Department of Agriculture and Rural Development at (800) 292-3939. Information may also be found on the web at www.npic.orst.edu

Sincerely,

Kim Hiveley,
Director of Facilities and Maintenance
Fowlerville Community Schools
