ARTICLE III

WORKWEEK/OVERTIME

1. Workweek: For the purpose of this Contract, the workweek shall consist of five (5) consecutive days, Monday through Friday. A full-time administrative assistant shall work an eight (8) hour day. A full-time paraprofessional shall work six (6) or more hours a day. Notification of any change in the employee's regularly scheduled work week shall be given to the employee by their immediate Supervisor by Thursday of the week prior to any such change.
2. Overtime: Employees in the bargaining unit who are required and preapproved to work in excess of eight (8) hours in a day or forty (40) hours in any week shall be compensated for those additional hours at one and one-half (1 ½) times the employee's regular rate of pay. All hours that an

employee is required to work on a Sunday will be paid at double the employee's regular rate of pay.

3. Extended Work Year: The District reserves the right to require more days of work per year than the minimum specified under the "Work Year" heading on Wage Schedule A. The normal work schedule may be extended by the immediate Supervisor. Employees shall be given five (5) days' notice of any change in their work schedule. The District reserves the right to employ less than full-time employees. By mutual agreement between an employee and the District, an employee may work less than the minimum number of days specified as "Work Year" on Wage Schedule A.
4. Breaks:
 - a) Employees working six, (6) or more hours a day shall be entitled to one (1) ten (10) minute relief period in the first half of the workday and one (1) ten (10) minute relief period in the second half of the day and shall be provided with an unpaid duty-free thirty (30) minute lunch period.
 - b) Employees working less than six (6) hours per day shall be entitled an unpaid duty-free thirty (30) minute lunch period.
5. Excessive Workload: The Administration will be cognizant of the employees' workload. When an employee believes that their workload is unreasonable, he/she is encouraged to discuss the matter with the person assigning the work. The Administrator assigning the workload will prioritize or adjust the workload. If possible, the workload should be adjusted. Should the overload problem continue, the employee may seek review of the matter through the administrative structure with the Superintendent's decision being final.

First Aid Duties/Distribution of Medication: The building Administrator and/or the school liaison officer will be responsible for all major medical decisions involving student emergencies. Administrative Assistants shall administer basic first aid to students.

 - b) Administrative Assistants will store, house and dispense meds/prescriptions as students need them and will receive and follow established District policies, procedures and care plans.
 - c) All buildings and Administrative Assistants will follow District policies and procedures for logging all meds in our possession. In cases where medications may need to be mixed, Administrative Assistants will perform that function as well.
 - d) Special Education Paraprofessionals throughout the District may be required to dispense prescribed medication in non-traditional methods that are unique to each child. For example, delivering meds through a mickey, dispensing food via a feeding tube, injecting insulin or inserting a suppository for seizures.
 - i) Annual training will be conducted in dispensing prescribed medication in non-traditional methods.
 - ii) Other Paraprofessionals (Title I and At Risk) and Administrative Assistants can be a witness (second adult) to the dispensing of the meds by the Special Education Paraprofessional, though, they would not serve as a "backup" to the Special Education Paraprofessional who

dispenses the prescribed medication.

- iii) The responsibility to administer medication is first assigned to a special education paraprofessional; if that is not applicable, the assignment may be given to another qualified non-special education paraprofessional.
- e) Stipend: A Stipend for Special Education Paraprofessionals who dispense or are expected to carry prescribed medication in non-traditional methods that are unique to each child will receive a \$250.00 stipend per semester. Article VI Compensation Dues, Fees and Payroll Deduction

The paraprofessional/assistant attending the field trip will be paid for all hours they are working with the student and any hours over 40 for the week will be paid at the OT rate. For overnight field trips Administration will work with the employee and Association to ensure coverage and compensation.
- 8. High Needs Paraprofessional Assignment Paraprofessionals assigned to students whose needs are defined by an IEP, 504 plan, safety plan, or behavior intervention plan will receive appropriate training from specialized personnel as necessary. The designation of a student as "high needs" is based on documentation within the IEP, 504 plan, or other formal support plan indicating that the student requires support above and beyond what is typical. Simply having an IEP or 504 plan does not automatically qualify a student as high needs; the need for enhanced or intensive support must be clearly stated in the plan. Paraprofessionals who are assigned to work with high needs students will receive a stipend of \$600 per semester. This stipend will be paid in the last paycheck of February (for first semester) and the last paycheck of June (for second semester), provided the paraprofessional is responsible for the student(s) 50% or more of student days in that semester. All opportunities addressed in Article VI Compensation Dues, Fees and Payroll Deduction

ARTICLE XI

MISCELLANEOUS

1. Act of God Days: The first time that school has been cancelled due to an Act of God, the District will provide a day's compensation to paraprofessionals. Paraprofessionals may elect to use a vacation day, personal day, or sick day for a second Act of God Day and receive full compensation. Any further Act of God days shall not be paid if they are to be made up later in the school year. If the Act of God days are not to be made up, the paraprofessional may use a vacation, personal or sick day to receive compensation for the lost days at the end of the school year.
2. Administrative assistants shall report to work on Act of God days if travel conditions are safe. If the

administrative assistant makes a reasonable determination that conditions are unsafe, the District will provide a full day's pay for the first Act of God Day. For further Act of God days, administrative assistants may use vacation, sick or personal days to receive their regular pay.

3. If an individual building is closed after the start of a school day due to circumstances beyond the control of the district (power outage, water main break, etc.) then the Paraprofessionals/Administrative Assistants who are sent home from the school(s) affected will be compensated for their full, scheduled workday.
4. Jury Duty: An employee called for jury duty or called by the Board to give testimony as a witness, not as a defendant, before any judicial or administrative tribunal or in an arbitration, negotiation, mediation, or fact-finding proceeding shall be compensated for the difference between the pay and the pay received for the performance of such obligation if it is necessary to be absent for performance of the regular job for which contracted.
 - a) The employee must notify administration immediately upon notification of such duty to allow replacement or cancellation of such duty. This provision will not be observed if the employee is called for such duty as an obligation of an elective position, such as but not limited to township official, etc.
5. Conferences: The Board shall pay the full fee for employees who attend job-related functions or conferences that have been approved or required by their Supervisor. Expenses for said conferences shall be borne by the District according to Board policy. Meals, mileage, travel and/or lodging not prepaid by the District will be reimbursed at a reasonable rate upon delivery of receipts. The employee shall suffer no loss of wages while attending courses or programs required by the District and shall receive their normal daily wage for time in attendance. The employee shall make every reasonable effort to attend required courses or programs that take place outside of normal working hours.
6. In-Service Training: The unit and the District agree to meet and confer on the feasibility of in-service training for employees. With Supervisor pre-approval and on mutually agreeable days limited to two (2) half (1/2) days per year, administrative assistants can meet as a group. The agenda shall be job related and determined by the administrative assistants. The District will offer or provide a minimum of one Professional Development Day per year for the administrative assistants.
 - a) The District may make available paid Professional Development for paraprofessionals. Paraprofessionals may be required to attend. Administration will provide a minimum of seven (7) calendar days' notice when possible. District Administrators will work with paraprofessionals planning meaningful professional development. Professional development may occur on non-student days such as teacher professional development days.
7. If a paraprofessional is having a problem with a special needs student and has first discussed the

problem with the classroom teacher and they have jointly also discussed the problem with the building special education case coordinator, then the paraprofessional may address the issue with the building Administrator(s). In a situation requiring immediate attention the paraprofessional may go directly to the building Administrator.

8. All employees are to be under the supervision of the District Administration. In addition, the Special Education Director will provide oversight of any employee working within the District special education systems.

ARTICLE XII

GRIEVANCE PROCEDURE

A grievance shall be defined as an alleged violation, misinterpretation, or misapplication of this Agreement or written Board policies affecting working conditions of the member. Should a member/Association feel that there has been a violation, he/she will take the following steps:

1. Step 1: The member/Association with or without a designated representative, shall discuss the grievance with the Supervisor informally within five (5) work days of the alleged violation and, if not resolved, shall file a written grievance with the Supervisor within fifteen (15) work days of the alleged violation and discuss the written grievance with the Supervisor within five work days after the grievance is filed. If no satisfactory conclusion is reached within five (5) workdays following the discussion of the written grievance with the Supervisor, the member/Association shall submit the written grievance within five (5) workdays of the discussion with the Supervisor to step 2. A grievance, which is not within the scope of a Supervisor's authority, may be filed initially at step 2. The written grievance, as required herein, shall contain the following:
 - a) It shall be signed by the Grievant(s)/(Association).
 - b) It shall be specific.
 - c) It shall contain a synopsis of the facts giving rise to the alleged violation.
 - d) It shall cite the section or subsections of this Contract or written Board policy alleged to have been violated.
 - e) It shall contain the date of the alleged violation.
 - f) It shall specify the relief requested.
 - g) It shall indicate approval or disapproval by the Association.
2. Step 2: The Superintendent or their designated agent shall arrange a meeting with the grievant and/or the designated Association representative at the option of the grievant within ten (10) workdays after receipt of the grievance to discuss the grievance. Within ten (10) workdays of the discussion, the Superintendent or their designated agent shall render their decision in writing,

transmitting a copy of the same to the grievant, the Association secretary, and Supervisor of the building in which the grievance arose, and place a copy of same in a permanent file in their office. If the decision of the Superintendent is unsatisfactory to the Association, the Association may appeal same to the Board of Education by filing a written grievance, along with the decision of the Superintendent, with the officer of the Board in charge of drawing up the agenda for the Board's meeting within ten (10) attendance days of receipt of the Superintendent's decision.

3. Step 3: Upon proper application as specified in Step 2, the Board shall allow the Grievant and/or their Association representative an opportunity to be heard at a meeting of the Board within twenty (20) workdays of notification of appeal to this step. The Board shall render its decision, in writing, within fifteen (15) workdays of the meeting. A copy of the written decision of the Board shall be forwarded to the Superintendent for permanent filing, the Supervisor for the building in which the grievance arose, the grievant, and the representative of the Association.
4. Step 4: If the Association is not satisfied with the disposition of the grievance by the Board, or if no disposition has been made within the period above provided, the grievance may be submitted to arbitration provided the submission is made in writing to the Superintendent within ten (10) workdays after receipt of the Board's answer. If the grievance is timely submitted to arbitration, an arbitrator shall be selected in the following manner:
 - a) The parties shall meet within ten (10) working days of the submission to arbitration for the purpose of selecting a mutually agreeable arbitrator. If the parties cannot agree within five (5) workdays, then:
 - i) The arbitrator shall be selected by the American Arbitration Association in accord with its rules, which shall likewise govern the arbitration proceeding. The filing party shall pay any and all filing fees. The party against which a decision is rendered shall pay the entire cost of the arbitrator. In the event there is no clear loser, the party requesting arbitration shall pay the entire cost.
 - ii) The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground or rely on any evidence not previously disclosed to the other party. The arbitrator shall have no authority to change, alter, modify or add to the terms and provisions of this Agreement. Both parties agree to be bound by the award of the arbitrator to the extent the award was within the scope of his authority.
5. Failure to appeal a decision at any level within the specified time limits shall be deemed an acceptance of the decision at that level.
6. The Grievant/Association will have the right to withdraw a grievance at any level without prejudice against the Association or other members.
7. A grievance may not be processed past Step 3 without the approval and endorsement of the Association.

8. The time limits provided in this Article shall be strictly observed but may be extended by written Agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship of any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.
9. The Association will have on file, in the office of the Superintendent, the names of the Association representative(s) in each building.
10. Nothing contained herein shall be construed to prevent any individual member from presenting a grievance and having the grievance adjusted without the intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided the Association has been given opportunity to be present at such adjustment.
11. Where no wage loss has been caused by the action of the Board complained of, the Board shall be under no obligation to make monetary adjustments, and the arbitrator shall have no power to order one. The arbitrator shall have no power to issue an award resulting in financial liability to the Board for more than a total of sixty (60) calendar days prior to the filing of any grievance under any circumstances.

ARTICLE XIII

SENIORITY, CLASSIFICATION & REDUCTION IN PERSONNEL

SENIORITY:

1. Seniority shall become effective after completion of the sixty (60) actual days of work probationary period. A newly hired probationary employee shall not accrue seniority until the completion of the probationary period but then shall accrue seniority from the date of hire. Notification of hire will be sent to the designated Association leadership when a new employee is hired who is covered by this bargaining agreement.
2. A seniority list shall be maintained by the District and certified by the Association. Employees shall be ranked in order of bargaining unit date seniority then by classification & category. Said seniority list shall be presented to the association annually during the month of November for review. Corrections shall be brought to the attention of the Administration within thirty (30) days thereafter.
3. If two or more employees in the same classification & category have an equal amount of seniority, the tie shall be broken by a drawing to be held by Administration in the presence of the Association President or their designee. The drawing shall take place within ten (10) working days of the hire date, if possible, and written notification of the outcome shall be sent to the affected employees. Affected employees may attend the drawing. The drawing will consist of placing the names of the

affected employees in a basket for a random drawing. The first name pulled out will be the employee with higher seniority.

4. Seniority in the bargaining unit shall be broken only by discharge or voluntary quit. Time spent on medical leave, layoff status, or disability will not be construed as a break in continuous service, and seniority during such period shall continue to accrue. Time spent on other unpaid leaves will not constitute a break in continuous service but seniority during such periods shall not continue to accrue.
5. If an employee transfers out of one classification to another classification, their seniority shall be frozen in the first classification. If they return to the first classification at a later date, seniority shall resume from the previous level.

 - a) The employee with the least seniority within that classification and category shall be laid off first, provided there are qualified employees remaining in the category to perform the required duties.
 - b) Seniority shall govern in all layoff decisions within the classification and category, as long as the more senior employee is qualified to perform the essential duties of the position, as outlined in the job description.
 - c) Qualifications include the requirements set forth in the job description, including public relations and interpersonal skills.
 - d) In the event a vacancy exists, in the same classification at the same time displacement occurs, a posting will occur to fill the existing vacancy. If an employee within the classification applies for and is granted the posted vacancy, the displaced employee is placed in that employee's newly vacated position.

RECALL

1. When recalling employees within a classification and category, the District shall consider seniority. A bargaining unit member who is recalled to a position following a layoff shall be placed at the same step on the wage scale as they were on at the time of the layoff.
2. The Board shall issue a written notice of recall by sending a registered or certified letter to the employee's last known address on record with the District.
 - a) It is the employee's responsibility to keep their address up to date with the District. The address on file shall be considered conclusive for all layoff, recall, or other official notices.
 - b) If the employee does not respond and make themselves available for work within seven (7) calendar days of receiving the recall notice, they shall be considered to have voluntarily terminated employment.

1. Building-Level Displacement
 - a) If a position is eliminated and results in an employee being displaced, the following steps shall be taken within the affected building:
 - b) The employer will first seek volunteers to be displaced, beginning with the most senior employee in the same classification and category. If no volunteer comes forward, the employee with the lowest seniority in that classification and category within the building will be displaced.
2. District-Level Bumping (Same Classification & Category)
 - a) If the displaced employee in the affected classification and category within their building but has higher seniority than others in the district in the same classification and category, they may displace (bump) the least senior employee in that classification and category anywhere in the district.
3. Bumping into a Previous Classification
 - a) If there are no available positions in the employee's current classification and category, and the employee has sufficient seniority in a previously held classification and category under this Agreement, they may displace (bump) the least senior employee in that previous classification and category. In this case, the employee will be placed on the same seniority step and corresponding wage scale they held when they last occupied that classification and category.

 - b) Alternate Work Assignments: When an employee is assigned to work with an individual student and the student is absent from school, the bus assistant shall be assigned, by the Transportation Supervisor, alternate work within the building/department. Alternate work may include riding another bus, transportation office work, and cleaning buses.
 - c) Long Term Absence of a Student: If it is known that a student will be absent from school for more than fifteen (15) school days, the Transportation Supervisor shall review the situation and determine if a bus assistant is still needed. If the bus assistant is not needed, he/she may displace the least senior bus assistant to maintain their current hours. The bus assistant shall displace only the run(s) which are reduced.
 - d) Permanent Reduction of Hours: If a student no longer requires a bus assistant or the student leaves the District, the Transportation Supervisor shall review the situation and determine if a bus assistant is still needed on the run(s).
